Forecast For Wales
Issued by Met Office Exeter
at 0400 on Saturday 12 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Fine and mostly sunny with Sunday hotter than recent days.

Today:
A fine and sunny day for most, though some fair weather cloud will be around. Warm with similar temperatures to recent days, though the breeze taking the edge of the heat a little. Maximum temperature 20 deg C (68 deg F).

Tonight:
A mostly clear and dry start to the night, with some cloud building up from the north and west. By morning most of the country likely to see cloudy skies. Minimum temperature 7 deg C (45 deg F).

Sunday:
Another fine, dry and sunny day with fair weather cloud. Temperatures higher than Friday or Saturday for most, feeling hot in the sunshine. Maximum temperature 26 deg C (79 deg F).

Outlook for Monday to Wednesday:
A largely fine and dry start to the week, with temperatures dropping back down from Sunday's, and breezes picking up again for most.
